

Sunlight Saunas™ and the American Heart Association

Sunlight Saunas™ has partnered with the American Heart Association to help fight Heart Disease.

Cardiovascular disease is our nation's number one killer and claims one million lives each year. Regular use of Sunlight Saunas has shown to lower both systolic and diastolic blood pressure, critical for maintaining a healthy heart. Sunlight Saunas has also partnered with the American Heart Association to help prevent this devastating disease.

Sunlight Saunas Presents a Check to the American Heart Association
